October 2022

A Full October

October was a good month for MBSF! Despite having to continue meeting in tight quarters in the Library Study rooms our attendance has remained about 6 students! The Ladies Auxiliary and Men's Brotherhood at Quaker Avenue Baptist Church has also started hosting an Open Kitchen Night each month for the college students to provide a free home-cooked meal! This way it gives the students free food and the students get a chance to meet with several of QABC church members! Hopefully this can help the students feel more comfortable and increase their church attendance while here at TTU and create a stronger desire for church so that wherever they go they will find a scriptural New Testament Church to join and serve in it!

Our October meeting schedule was thrown off a bit due to my grandmother passing away on October 14th and us spending about a week back in Arkansas for her funeral and family time. However, during that our student officers stepped up and handled the MBSF Bible study night for me and kept things running which was encouraging!

The first weekend of November we are planning our Fall MBSF Retreat for the students so please be in prayer for us as we head out of town for Friday night and Saturday for that! Our Lessons for that will center around "Finding Real Faith"! Due to Thanksgiving break we do not have much weekend plans scheduled for November but we will be focusing on campus outreach through free speech flyer hand outs, student witnessing opportunities (increasing personal witnessing is one of our goals this month), and booths!

We have not yet found a house but are still looking! We are praying the prices continue to drop on the properties here! We are still striving to reach out to churches to see more churches come on in monthly support! Between affording payments on a house, utilities, flyers and handouts, and fellowships we will need to be pretty close to the \$4,500/month in support and we are currently averaging \$3,500/month! We just need 10 churches at \$100/month or 20 churches at \$50/month and we would be there!

Thank you for your thoughts, prayers, and support. If you have any questions, or concerns, or would like to know more about the work let me know at (806) 470-2850 or s_haneymbsf@outlook.com. Thank you and God bless!
